

The Friends of the Museum is an organization that raises funds to benefit The New Mexico Farm and Ranch Heritage Museum.

Each February, The Friends of the Museum puts on a Gem and Mineral show called Museum ROCKS! The money raised at this event goes to help fund educational programs and workshops at the Museum, provides bus transportation for school children to visit the Museum, supports outreach activities through the state, helps create exhibits and programs that tell the story of the New Mexico agriculture and to preserve our state's rich and unique agriculture heritage.

The Museum Rocks Gem and Mineral Show will be held at the New Mexico Farm and Ranch Heritage Museum on February 25-26, 2023. The average attendance for this event is 3,000 over the 2 days.

The demographic are jewelry artists, gem & mineral collectors and distributors, agriculture enthusiasts and the general public.

This is a family friendly event that not only educates, but also allows you to explore and purchase different minerals, gems and rocks from all over the world!

By becoming a Friends of the New Mexico Farm & Ranch Heritage Museum annual member, you receive museum related benefits as well as help make it possible for others to learn about and enjoy our states agriculture history. Annual membership is included in the Amethyst and Diamond sponsorship levels of the Museum ROCKS Gem & Mineral Show. You will also be recognized as a sponsor on a plaque that will be displayed at the museum. This is a great way to show your support of the museum to the community!

You can find more information on The Museum ROCKS Gem & Mineral Show at www.lcmuseumrocks.com.
